desk

flexiform

*Depending upon 18mm or 25mm top
 ** Supplied separately

homeworker desk

Uncomfortable desk set-ups can create health issues including backache, wrists and neck pain which ultimately makes us less productive. The Flexiform Homeworker package is a cost effective, classically styled desk designed to give a comfortable ergonomic set-up to any remote working staff member.

A high quality, self-assembly desk which can be constructed in minutes with minimal tools, functional and at home in any house. Add in the optional chair, monitor stand and laptop stand for the perfect home working set up.

Features & Benefits of the Homeworker

-  Cantilever desk with modesty panel.
-  1000mm width and 733mm/740mm high.
-  600mm or 800mm deep.
-  18mm or 25mm MFC top with 2mm ABS edge.
-  All white finish to suit any interior style.
-  Boxed & delivered for quick delivery.
-  Easy home assembly (tools supplied).
-  Easy-to-use instructions. Build in around 10 minutes.
-  Made in Britain, high quality all metal frame.
-  Add a monitor arm/laptop stand for greater flexibility**
-  10 year comprehensive warranty.
