SPECIFICATION GUIDE

SCREENS

Office screening provides individual users with privacy and is a cost effective way to separate teams. Flexiform offer an extensive range of screens to complement all of our desking ranges. As standard we supply plexiglass, polycarbonate and fabric screens – available with or without additional tool bars (for hanging screen accessories). Virtually any width or height can be accommodated, from small desk mounted screens to large free standing, divisional screens.

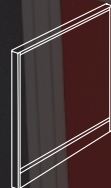

Material Options

Fabric, Polycarbonate, Plexiglass

Pictured Right: Desk mounted screen with no additional accessory rail (OP). 1200mm (w) x 30mm (d) x 370mm (h).
Finish: Mandarin Orange Plexiglass.
JSCR0312PLEX3T17.

HOW TO SPECIFY SCREENS

CODE

(For example: 'JSCR0312PLEX')

MATERIAL CODE

(For example: '3T17')

If the product has no tool rail the code will end in 'OP'

For example, to specify a desk mounted screen with additional accessory rail. Finished in Mandarin Orange Plexiglass. Size 1200mm (w) x 30mm (d) X 370mm (h) (pictured above) the code would be JSCR0312PLEX3T17. When ordering a screen consider magnetic boards, post trays, pen trays etc... and remember to order the correct fixing brackets. All screens are in satin anodised aluminum and all fixings are supplied in silver.

OP screens have a frame with a single tool rail along the top of the screen and no accessory rail.

1P screens contain two tool bars, one at the top and one approximately 140mm down from the top.

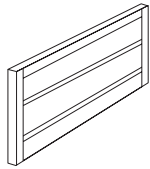

Screens are available in fabric, plexiglass and polycarbonate. Please see finishes pages for more information

DESK MOUNTED SCREEN PARTS

- Step 1. Use the appropriate chart within this section to calculate what parts you need and how many of each part. Remember to take in consideration if the desking configuration has extensions.
 Step 2. Select the type of screen you want (Fabric, Plexiglass or Polycarbonate).
 Step 3. Select which screen you desire (no tool rail or additional tool rail).

DESK MOUNTED SCREEN RETURNS

A return screen is an additional screen which divides each workstation up and attaches on to side of a screen through the same methods. Return screens are only available for 800mm desks.

For each return screen, the following parts are required:

- 1x 800mm screen
- 1x screen top link
- 1x screen end strip
- 1x screen bottom link
- 1x screen stabiliser foot
